

Those in Attendance: Jamia Harris, Codie Vasquez, Beverly Millsap, Ginger Williams, Davie Thompson

Meeting opened with prayer.

Communications: Jamia brought us up-to-date on the website. Alicia has volunteered to assist Don and Kristen with data entry. Don will give Kristen and Alicia training on this procedure. Most pages are in place. Our Membership Directory is in place with access through Olan Mills using a password. A decision will be made on how the password will be made available to those wanting to enter the Directory. We do not identify, particularly our children, by name on photos, etc. , and must be careful giving out the password.

There has not been a good response on RSVP's for the session on navigating the website scheduled for 05-16. The session will be cancelled for now. Notices will be sent about the cancellation. The few that did RSVP will be contacted offering assistance with what difficulties they are having.

Servant Evangelism: After discussion about an activity for late June or July, the group decided to contact Danielle on how we might help OCS with items needed that are not a regular distribution item.

Connexion Groups: Davie passed out information from the meeting on group formation, asking that all consider joining a group. We had discussed Servant Evangelism becoming a group. What we will do is contact Christy, the Point person, on our activities where these groups could help. Christy will send this info to the groups.

Last Blast: The next meeting will be 05-27, working on details and activities. Codie will be helping with getting "Beneficial" activities. Some suggestions were made from the group to be passed on.

Coffee With the Pastor: The session scheduled for 05-02 was cancelled until late August. The reason - at this time there are only a few new invites.

Revised Information Brochure: Work on this is in progress.

Meeting Adjourned.
