

Attendees: Beverly Millsap, Codie Vasquaz, Amy Worsham, Ginger Williams, Tori Butler, Jamia Harris, Don Grooms, Marilyn Powell, Alicia Permenter, Davie Thompson

The meeting opened with prayer.

Members introduced ourselves to Tori, and welcomed her to Orange, our church and our group

Communications: Jamia and Don brought the website happenings up-to-date. The Youth page has been cleared and will be revamped. They discussed with Tori about what she might want to add to the website. They will get together later. The sermons are now online, and Tom will be furnishing questions to be discussed by Connexion Groups during their meetings. Those wanting the password to access the Membership Directory must call Kristen. We'll be paying the final billing from Fill-in-the-Blank for their work on the reconstructed site.

There was a brief discussion about getting concerns and requests to Marilyn for posting through Community Concerns. A Newsletter item will be placed reminding members to notify Marilyn or Kristen to be added to the list and for e-mail updates.

Information Brochure: Beverly Millsap, Ginger Williams and Beverly Blalack have put together a new trifold Information Brochure. After a few additions, the format will be approved for printing. They have done a great job.

Last Blast: A lot of progress has been made on this Saturday, 08-21 event. During discussion several suggestions were made to pass on. Several Community Resource groups are in place,

Servant Evangelism: Danielle was contacted about special OCS Sundays. Missions does the OCS Sundays now. We need to talk with them about other Sundays and how we can help. As a part of SE we hope to help with the up-coming canvassing of the neighborhood on their needs.

September Open House: Tentatively, in talking with Tom, there may be a special service that month concentrating on what the church is doing, planning and outreach.

Other: There are between 30-40 members listed in our new Directory who are inactive. Some had their picture made, indicated they wanted to remain on the roll in a recent survey. This indicates they feel a connection with the church. We'll plan a way to make direct contact to find what their might be.

Tori talked with the group about our work. She will be working closely with us.

Meeting adjourned.
